Configuring Test Plans and Maintaining 500 + Test Cases for several Modules

## Education

---

**B.Tech - IBM Cloud  
Computing and Virtualization  
Graduate**

GLA University, Mathura 2020

**High School & Intermediate**

Delhi Public School, Indore 2016

## Inter-Personal Skills

---

- Leadership
- Communication, Collaboration
- Quick Learner
- Inquisitive
- Adaptability
- Problem Solving

## Activties

---

- Participated in a three day event "GURUKUL" by IBM at Bangalore.
- Coordination in various events in school and college such as Annual Tech Fest etc
